

Lifetime Achievement Award

Call for Entries

The Aggregate Ready Mix Association of Minnesota asks its members to nominate deserving persons to be considered as recipient of the Lifetime Achievement Award. This award will be presented at the ARM Convention that will be held December 3-4, 2013 at The Depot in Downtown Minneapolis

The Lifetime Achievement Award Criteria Include:

- Nominee's career in the aggregate, ready mix or associated industry must have spanned at least 25 years.
- Two ARM members from different member companies must endorse the nomination.
- Not a posthumous award. The nominee should be living at the time of the nomination.
- The nominee does not currently have to be an ARM member.
- Nominee's background can be from either the aggregate, ready mix, or from any company represented by ARM's associate membership.
- The Lifetime Achievement Award is not necessarily an annual award. The award shall be bestowed only when a deserving person is nominated.
- The selection committee will include the three most recent ARM Past Presidents as well as the three most recent award recipients.
- The nomination submission must include a resume that documents at least 25 years of the nominee's career including affiliations with local, state, and national industry-related associations.
- The nomination submission must include information on how the nominee not only grew their own company but how they personally impacted the growth of the industry.
- The nomination submission must include examples of the nominee's mentorship of the next generation.

In your submission please include the nominee's contact information in addition to the contact information for the required **two** member endorsements. Please submit this along with a detailed explanation concerning why this nominee should be the next recipient of the ARM Lifetime Achievement Award. Nominations are due by **November 22, 2013**.
