

# **AGGREGATE & READY MIX**

## ASSOCIATION OF MINNESOTA

### **ARM Convention**

#### **December 4th Schedule of Events**

Registration begins at 9:00am. Starting at 10:00am...Meet and have lunch with the MnDOT staff from the Concrete and Aggregate Offices. Great opportunity for plant managers!

Following lunch at 2:00pm we will review the MN Concrete Flatwork Specifications and the recent MnDOT decision to allow for the use of ACPA StreetPave software for jointed concrete pavement design. We will also get an in-depth look at a few member concrete projects. If you would rather learn about trucks weight configurations, we will have a session on that too.

Finally...Stay for the Reception & Beer Tasting starting at 5:30pm

*\*\*3.75 PDH's available for Day 1\*\**

#### **December 5th Schedule of Events**

Enjoy a hot breakfast between 7:30 - 8:30am and then learn or refresh on anti-trust laws at 8:30am presented to you by ARM member GCC Ready Mix.

Our annual meeting starts at 10:00am followed by an update by our lobbyist, Ewald Consulting. We will also have updates on how our members are reacting to the increased need for industrial sand which leads us to an interesting discussion regarding the energy boom in North Dakota.

At 12:00pm, we will conclude with a session discussing the progress of the Hastings Bridge Project.

*\*\*3 PDH's available for Day 2\*\**
