REGISTRATION INFORMATION

Registrations will be processed on a first come-first served basis. The class sizes are limited, so early registrations are suggested to obtain the date preferred. All registrations must be accompanied by a check or credit card number. REGISTRATIONS WILL NOT BE PROCESSED WITHOUT PAYMENT AND A MnDOT TECH ID #.

Registrations will be confirmed on a daily basis. If you have not received a class or waiting list confirmation notice within two to three weeks, please contact the ARM Registration office to ensure your registration has been received. Confirmation will include class date, location and general directions. Hotel Recommendations are listed on the ARM web site (www.armofmn.com) and lodging reservations are the responsibility of the student.

If a registrant's class choices are full, the student will be contacted with alternative options. If all classes are full, the registrant will be placed on a waiting list and will be notified of openings at any location on any date unless otherwise specified.

Individuals who have a disability, either permanent or temporary, which might affect their ability to perform in a class should indicate the disability on the attached registration form or contact the ARM Registration Office at (888) 733-4649 or registration@armofmn.com.

CANCELLATION POLICY

NON-REFUNDABLE REGISTRATION FEE

All tuition fees include a \$30 Non-Refundable Registration Fee. Students may request class changes without penalty, however students requesting cancellations at least seven (7) calendar days prior to the class will receive a refund LESS the \$30 registration fee. All E-learning classes must be cancelled by *April 24*, *2015*.

Cancellations and class changes must be made in writing and received by the ARM Registration office at least seven (7) calendar days prior to the class. No refunds will be issued after that time. Companies may opt to send replacements to a class. If a student misses a class, they are required to re-register and resubmit the class fee.

Cancellations may be mailed to the address on the brochure cover, emailed to registration@armofmn.com or faxed to (952) 707-1251. If faxing, it is your responsibility to make sure the transmission is confirmed.

COURSE RESCHEDULING & CANCELLATION

ARM, MnDOT and Lake Superior College reserve the right to reschedule and/or cancel courses due to insufficient registrations. Students registered in those classes will be notified and offered an alternative date and/or location, or a refund if requested.

RETESTING

Retesting can be scheduled through the MnDOT Technical Certification office in St. Paul by calling 651-366-4201.

TEST OUT POLICY

You may apply for certification through a test-out in one or more areas. A test-out presumes you have a broad knowledge of the material and are proficient in that area. Test-outs are not for the convenience of the applicant, all efforts should be made to certify/recertify while classes are held during the training season. For test-outs, all prerequisites must be kept current. The Test-out for Certification process involves a series of steps that must be completed. Please go to the MnDOT Technical Certification website: http://www.dot.state.mn.us/const/tcp/ click on Forms and Publications in the top navigation bar and download the Test-out Application. Please read the Test-out Process Instructions from the link provided before filling out the application.

STUDENT INFORMATION UPDATES

If a student has a change of job, address, or phone prior to attending classes, please contact the ARM Registration office with the updated information.

LODGING & MEALS

Registrants are responsible for their own meals and lodging. The MnDOT training facilities have vending machines available for food and beverage purchase.

*PLEASE NOTE: The MnDOT Training & Conference Center is also known as the Arden Hills Training Center. The MnDOT Materials Lab is also known as Maplewood Lab. Duluth "LSC" is Duluth Lake Superior College.
